

Computer use can be easily monitored and is impossible to completely clear!
If you are in danger, do not use a computer that someone abusive has access to. Use a secure system such as a computer at a friend's house, the public library or an Internet cafe, and/or call Crossroads Safehouse at 1-888-541-SAFE.

If you are viewing Crossroads Safehouse's website and need to quickly get to an unrelated site, click the "Exit" button.

If you are unable to find a new location please be sure to clear your internet browser history. Here are some resources to help you:
